

CAMERON DUNSFORD DIRECTOR

BBus FAPI MRICS
Certified Practising Valuer

QUALIFICATIONS

Cameron Dunsford received his degree in Business at the University of Technology Sydney. In a career spanning 15 years at the top of his industry, Cameron is an expert in his field and a founding member of *rhas*. As a leader and industry luminary, Cameron holds a number of industry positions - Fellow of the Australian Property Institute, past Member of the Australian Property Institute National Education Committee and Member of the Royal Institute of Chartered Surveyors.

EXPERTISE

Cameron has extensive experience in valuations in industries as diverse as power generation, transport, engineering, mining and quarrying, concrete batching, 5-star hotels, earthmoving, petroleum, hospitality, woodworking, office fit-outs, information technology, cars and boats, materials handling, logging and sawmills, communications and medical. While these are his specialist areas, Cameron has undertaken significant work in every conceivable area related to non-real property assets.

PROVEN TRACK RECORD

Cameron has completed valuations and sales of billions of dollars worth of plant in every conceivable industry. Major valuation projects have included Hanson, Boral & Rinker's combined 9,000 strong mobile plant fleet, 150 quarries & 600 concrete batching plants, Sydney Ferries, 2,000 public & private NSW buses, 10 Eraring Energy thermal, hydroelectric & wind-turbine power stations, ABB Engineering & Construction's Tomago & Kwinana plants, much of Shell's Australian Distributor Network, TDG Car Carrying, 5-star hotels, unique boats and cars, hundreds of sawmilling and logging entities, Councils, and much more. In the area of asset sales, Cameron has managed major shut down projects at Transfield Engineering & Construction (3 sales), ABB Engineering & Construction (2 sales), Otis Elevators (2 sales), The Hilton Hotel and The Sebel Townhouse to name just a few.

BACKGROUND

Cameron started in the industry with Hymans Asset Management Group in 1991 as a Senior Valuer and is now Director of Rodney Hyman Asset Services. Today rhas boasts an extensive range of blue chip clients, with the company represented in every state in Australia.
